

Assignment 3 - Literature Review

Literature Review

- This is one of the main parts of your CA for this module (25%). You are required to:
 - Source at least 5 research papers (conference or journal) related to the work you are doing for your final year project.
 - Read them and summarise them using a template similar to what was given in workshop 3.
 - Write a related work section that discusses the papers from the following perspectives:
 - Relevance - What is the research question, how relevant is it to your work.
 - Success/effectiveness – How effectively does the research answer the research question.
 - Similarity – If the works are similar, what are the advantages/disadvantages of each.
 - Summary of results – be sure to mention the main outputs and the significance of these.
 - Your opinion – Indicate what you think are the strong/weak points of the work. Give reasons to support your opinion where possible.
 - Refer to guidelines in workshop 3.
 - Provide a list of references using an appropriate style guide.
